Larry,

As you know, I never fully committed to be there. As much as I'd like to, we have Byron going and it's likely he'll be our sole EPA rep. I was still intending to try and make the trip but I have some family coverage issues I have to address that week that will prohibit my attendance. EPA (b) (6)

Session Information:

Speaker Name Paul Argyropoulos
Company/Organization US Environmental Protection Agency
Session Title The Future of the RFS and Growth in the U.S. Biodiesel Industry
Session Date/Time Wednesday, 2/6/2013, 3:15 pm - 4:45 pm

Speaker Information:

NBB needs a Bio and Headshot for marketing materials and will post bio and headshots to the conference

website. If you have not already done so, please send your headshot image and bio information to stephanie@kinsleymeetings.com.

Presentation Information:

While it is possible to upload your presentation in the "speaker ready room" as late as the day before our session, I would strongly recommend against doing so to avoid technical difficulties. Please send your final presentation to your track manager and/or stephanie@kinsleymeetings.com by Tuesday, January 29th at COB. When you get to the conference, please check into the speaker ready room to make sure we have all the correct files loaded for your presentation.

NBB respects the privacy of presentation materials. Please indicate if we can make your presentation slides available to conference attendees.

☐ YES, I agree to posting my session slide to the conference website and presentation printing room.

☐ NO, I do not agree to posting my session slides to the conference website and presentation printing room.

Dear Paul,

Thank you for attending the 2013 National Biodiesel Conference and Expo! We hope you found your attendance to be beneficial.

Please participate in our conference survey which will be distributed electronically in the next several days so that you can help us continue to improve our conference. Also, please mark your calendars for the 2014 conference to be held January 20-23 in San Diego, CA. Please note the shift from our normal early-February dates to these dates in January.

Below is your login information if you wish to access the presentations given at our conference. Simply, go to www.biodieselconference.org and use these credentials. You will find all of the presentations which we were given permission by the presenter to post located there. You will also find a list of conference attendees. Also, of note, there were a few presenters that did not utilize a visual presentation but, rather, offered their presentation verbally. For those, of course, you will not find posted presentations either.

Thank you again for your participation and we look forward to seeing you in San Diego!

Sincerely;

The National Biodiesel Board
